

GALA

Saturday November 12th 2011

The Gala will only be successful if our community supports it, so get involved and make St Francis School proud!

Gala Raffles

An important part of our Gala fundraising is the Raffle offering great prizes to be won.

If you own a business or work for a company that may be interested in sponsoring a prize - or giving us a great deal for purchasing a prize - then we would love to hear from you. Some ideas : Travel, Merchandise, Services, Restaurant Dining, Gift Vouchers.

Alternatively, if you work for a company that can donate an item for the quick-fire raffles please contact us. All donations gratefully accepted!

Craft

✂ The craft group is meeting **Wednesday evenings at 8pm**. Bring along your ideas or just a willing attitude – no experience required!

Contact Alix Culpan on 849 5856 or email guppi@xtra.co.nz for more information.

Second Hand Goods

Please remember not to throw away toys, books, household items, clothes, DVDs, CDs – anything that can be sold on Gala Day. We have some storage space available so bring your pre-loved goods into school on Friday mornings.

Do you have some storage space we can use? A spare room or a garage? Please get in touch.

Can you make Preserves and Jams? Do you have glass jars with lids you can bring into school? Can you donate bulk fruit, veges, sugar? Let us know if you can help.

STALL HOLDERS NEEDED

Can you volunteer to coordinate a stall or attraction? There is lots of support available from the Gala Committee so please come forward. We need people for the following areas:

- Cold Drinks
- American Hotdogs
- Nachos
- Fruit Kebabs
- Hamburgers
- Sausage Sizzle
- Toys
- Coin Toss
- Sandpit Treasure Hunt
- Lucky Dips
- Money Tree
- Mystery Bottles
- Nail Painting
- Produce
- Tin Can Alley

The funds raised from this year's Gala event will go towards our school building project, which will allow the children to have access to a fully equipped and up to date library facility, a community room that can be used by parents to gather and meet to learn more about their children's education and classroom space for arts, drama and music.

If you can assist with anything or would just like further information please contact:
Deborah Gray on deborahhancock@hotmail.com or 845 5632 / 021 434 488
