

Sacramental Classes for 2020

Sacramental classes resume on July 26! Due to the Covid break, enrolments for the sacramental classes were interrupted, but we are back, and able to conduct classes for the Rite of Reconciliation and for First Communion this year. If you have already enrolled, please re-enrol. If you meant to but didn't before the break, now you can!

Please note that as experience has proven that younger children are sometimes less ready for this, we are accepting enrolments only from year 5 and up, unless one of these children has a younger sibling in year 4, in which case, we will try to accommodate them if we have space. We are not accepting year 3's this year.

There will be NO catch-up classes, and if your child has not attended every preparation class, they cannot receive the sacrament, so please prepare to work your child's other commitments for these few Sundays around this one. Please see the Parish office at the presbytery for the application form.

The dates are as follows: Reconciliation preparation on July 26, August 2 and August 9, with first Reconciliation during the week of August 10 to 16. First Communion preparation on August 23, August 30, September 6 and September 13, with First Communion projected to be September 30.
