Lent - 'People can change to live more like Jesus lived' - taken from Year 2 Lent Lesson:

One of the reasons we have the season of Lent is so people can take time to think about their lives. Because Lent is leading us up to Easter, it is a quiet waiting season. Often people are too busy to think about what they are doing. They do not think about how they speak and how they act towards others. In Lent one of the things we are asked to do is take time to stop and think about these things. It is by stopping and thinking that people notice if they are living as Jesus lived.

Parish News

Church Reno - Only part of 1 window left to donate!!! Last chance to get your name on the plaque! We had 3 wonderful St Francis families contribute \$1,667 each for a Parish Window last week, noting that each will receive a tax donation refund of \$556, so the effective net cost will be \$1,111 each. If you would like to donate to part of the remaining new Church window, please contact Stuart King on 027 818 2403.

Church renovation parking and H&S - Various tradies and suppliers will require parking in front of the Church during the renovation. Accordingly, an area will be reserved for them and coned off in front of the Church as well as at the Presbytery. We thank you for your understanding and patience. Temporary fencing will be placed around the Church this Saturday and we ask you to adhere to the H&S notices placed there.

2024 Sacramental Programme - Reconciliation, First Holy Communion and Confirmation. Forms are available at the school office. A must if you intend on sending your child to a Catholic College in the future.

School/Parish Working-bee on Saturday, 6 April - We will be having a working-bee on Saturday, 6 April, from 10am at the Church to move the pews and other items to storage containers that will be placed on the Presbytery lawns just up the road. We've also got some pruning to do around the School grounds. A dozen awesome helpers have already signed up - thank you so much. The more the merrier - refreshments will be provided at the Pt. Chev. Bowling Club afterwards. Kindly contact Stuart on 027 818 2403 for more information.

Parish Easter Egg hunt from 10am in the School grounds after Mass on Sunday, 31 March. Kindly place any donated eggs in the basket at the back of the Church.

The Bucket Challenge - Writing from Room 11 children:

- Mikaela K. Caritas Bucket Challenge - Today we watered the plants and I loved it and filled the bucket with water. My bucket was green.
- Baz L. Caritas Bucket Challenge - Today we watered Mister Wilkie's plants and my bucket was gray. It was fun and it was at the top courts. We were pretending to be poor people.
- Ethan B. Caritas Bucket Challenge - Today we went over to Mister Wilkie's garden to water his plants. Then we went 2 times up and down. My mum bought my pink bucket from the dollar store. We tried to be like poor kids.
- Finley G. Caritas Bucket Challenge - Today we did a bucket under the tap for Mr Wilkie because his plants were thirsty. We want food for kids.
- Katina K. Caritas Bucket Challenge - Today I went to water the plants and we went to the top court and I love water because it was a lot of fun watering Mister Wilkie's plants
- Mac A. Caritas Bucket Challenge - Today we brought buckets to school.
- Thomas M. Caritas Bucket Challenge - Today I watered the plants and I loved it. My bucket was green.
- Georgia Rose D. Caritas Bucket Challenge - Today we watered the plants and I love it and I filled the bucket and I loved all of it. And my bucket was red.
- Lachlan B. Caritas Bucket Challenge - Today we watered mister wilkie's garden. We got the water from the top court. I watered the plants by myself. It was easy. I liked it.
- Fionnan L. Caritas Bucket Challenge - I watered Mister Wilkie's plants then we practised carrying the buckets.
- Hazel C. Caritas Bucket Challenge - Today we watered Mister Wilkie's plants. My bucket was purple.
- Emma S. Caritas Bucket Challenge - Today we went to the court to get water for the plants for Mister Wilkie. It was fun. We were trying to help Mister Wilkie.
- Mila V.-B. Caritas Bucket Challenge - Today we went to the top court to get water for the plants because we helped Mister Wilkie water his plants and we were pretending we were poor people. It was fun.
- Lily D. Caritas Bucket Challenge - Today we watered Mister Wilkie's plants because it was Bucket Day. It was fun. I felt happy and it was for poor people but it was just a practice.

Garden to Table - Making pizza with Santiago and Oscar from Room 2 - *It looked like we were making a potato pizza. How do you make a potato pizza? First, I chopped the kale and Oscar was chopping the silver beat. Then Sebastian was chopping the garlic. Next we rolled out the pizza dough. After that we put the potato on the pizza. The dough was soft and it stuck to my hands. When it was cooking the smell filled my nostrils and I licked my lips with the pizza taste in the air. I couldn't bear it anymore, I just wanted to open the oven and eat all of the pizzas in the oven. When I heard the ding of the oven I was super excited to taste the pizza. I loved the taste of the pizza. Then when I heard another ding of the other oven that meant that the apple and rhubarb crumble was ready. It was delicious! I accidentally started before everyone else because my dad and I got served at the table first. My dad was waiting for everyone to start while I was eating. My dad told me "Santiago wait for everyone else" and I was like "oops"! Today was the best garden to table I've ever had!*

Round the Bays - Edlynn from Room 2 participated in NZ's largest fun run on the weekend, Round the Bays, completing the 8.4km course along Tamaki Drive. With this being her 1st big run, she performed brilliantly, of course there were breaks in between and moments of self doubt, but she persevered and pushed through physically and mentally, finishing the run in 76 minutes and placed 253 out of 1050 finishers in the under 12 years division.

If your family participated in the Round the Bays run we would love to see your photos as well!

A new segment called 'An interview with...' - The whanau leaders have some gruelling questions for our staff to get to know them better, we also thought it would be fun to share these responses with our community! First up 'An interview with... Mrs Milne'

'An interview with... Mrs Milne' - written by the Year 6 Leaders

- What made you want to be a teacher?

I am the oldest in my family and for as long as I can remember my favourite "game " to inflict on my younger siblings in our garage was "schools ". Of course I was the teacher and they had to do spelling and maths tests, so I could give them stickers! The power of those gold stars!! From those early days I was determined to be a real teacher, before I knew it at 19, that's what I was actually doing!!

- Who was your favourite teacher when you were younger and why?

My favourite teacher was Miss Shirley, I was 7! She wore red patent leather slingback shoes, (ask your nana about those). I was suitably impressed and can see them clearly! I couldn't wait to grow up and be able to wear some just like her!! Then to make my eyes sparkle with devotion even more she chose me to be Mary in the Christmas nativity!! My blue veil and white dress was made out of satin by my clever mum and boy did I think I was headed for fame and fortune!!

- What is your favourite thing to do on a Saturday morning?

My favourite Saturday morning has changed so many times. When I first got married there was no shopping on Saturday so Mr Milne and I spent our Saturdays renovating our first house, then It used to be Saturday sport with my children, so much fun and it only seems like yesterday !! If you know me you'll know my consistent favourite has always been an early morning run and a coffee!! Now running is a bit slower and I'm loving fitting in Rugby tots and Little kickers with my number 1 grandson !!

- What saint did you choose for your confirmation and why?

My confirmation name is Mary, I think it was still from my memories of that starring role in primary school!!

Keep your eyes peeled over the next few weeks to see who is interviewed by the Whanau Leaders next!

PMP helpers needed – Parents and grandparents we are starting our popular and highly valuable PMP programme on Thursday and Friday mornings in Terms 2 and 3. We need YOU! Commit to a weekly or less frequent casual slot. Perceptual Motor Programme (PMP) is a parent led programme at St Francis School. It develops Y0-2 children's perceptions and understandings of distance, height and space as well as memory. PMP is a step-by step programme based on physical and sensory activities that are repeated over two sessions. Teachers observe the children and note areas for development through the parallel classroom programme. PMP prepares the brain for learning. A consistent and varied "diet" of physical and sensory experience is the key to developing perception and co-ordination. The store of experiences when those perceptions and reactions become automatic leaves the brain free for higher thinking tasks.

We need a roster of 8 to 12 parents or grandparents to monitor and explain the activities to children and help with equipment pack up. The commitment is 8:30 to 11:10 Thursdays and Fridays in Terms 2 and 3. Training is given to the helpers at the end of Term 1.

Classes come to the Hall for 25 minutes and move through the 4 stations for the day. Stations develop fitness, locomotion (moving the whole body), hand-eye and balance. You don't need to be fit, just check the children do the activities correctly and safely while the teachers assess the children and support you.

Please email the coordinator (Angela Franich) at angelajshand@gmail.com or leave your details at the school office if you can help in any way.

Congratulations - to Eddie Donald from Room 8 who on the weekend qualified to compete at the NZ Tournament Waterski National Championships in Karapiro in the last week of March. We wish him all the best as he trains and prepares over the next few weeks. Well Done Eddie!

New School App - We have 171 parents successfully logged in and using the school app!! For those of you who haven't used the app yet, please let us know if you need a new login link (the initial email would have timed out by now!)

Thank you for using the app to fill in the annual 'Overall Consent Form'. We have 145 children who now won't need individual consent forms for all sorts of low risk trips and activities. This saves so much admin time. If you haven't filled this out yet, it is located at the 'permission slips' icon on the app.

Just a heads up - Parent Interviews are next term and bookings will be made via the app.

School Docs - Just a reminder that all of our school policies can be found at schooldocs.co.nz Username: stfrancis, Password: brave. There is also a link to our School Docs platform on the app.
