**Cans 4 Xmas** - Our Term 3 Social Justice fundraiser is Cans 4 Xmas. We hope all of our families can send in a canned grocery item. This enables the Mercy Hospice and St Vincent de Paul to replenish their food banks for those in need.

**Parish News - Church renovation update:** Just a few bits and pieces left to do, such as the external wooden stairs leading to the lower courts.

A number of people have asked for a list of tradies that worked on the Church, please refer below and feel free to contact them directly and support them as they supported us:

- Allpro Construction - Jeremy Halpin, builder extraordinaire, on 021 273 7026
- Kali Painting - on 021 022 28275
- Concreting - Vuksich and Borich - contact Matt on 027 289 9505
- Hines Electrical - 0800 287 452
- Carpet - Kiley from Flooring Studio on 021 530 444
- Floor sanding - Tom at Goodwood Flooring Studio on 027 246 1004
- Vinyl wood plank flooring - Gimmy on 021 628 873
- Gib Stopper and Plastering - Mr. Dust on 021 864 698

The parish has managed to remain within budget with regards to what they had planned to do. Replacing the roof required an additional \$25,000 that partly remains unfunded - so a big call out to those who are able to contribute financially to please do so - the St. Francis Parish renovation bank account number is: 02-0108-0707331-003 and any queries, please contact Stuart King on 027 818 2403. And remember, all donations attract a 33% tax refund.

So, be part of history, forever be immortalised and get yourself and/or your kids a Brick - refer below. We will be going to print with the fourth batch of plaques early next week - so please get in touch quickly with Stuart and let him know what wording you want on it.

**Church Fundraising - BUY-A-BRICK** - Our Parish Buy-a-Brick campaign remains well underway, with a \$500+ contribution receiving a named plaque. We are very grateful for those who have kindly contributed both previously and as recently as yesterday. Payments can be made by bank transfer to the Parish Building Fund Bank Account number 02-0108-0707331-003. Please contact Stuart if you have any queries.

**Children's Liturgies** (a break-out session for kids involving a wee bit of gospel and heaps of colouring in and fun discussion) during Sunday Masses is back on during the School Term in the Whanau room - so please come along and join our welcoming Parish community - it will be like a huge play date for the kids, **plus there's the yummy morning teas**. We are always looking for more **parent helpers** to run the Children Liturgy sessions (you only need to do once a term), so please contact Stuart on 027 818 2403 if you'd like to join the Team - full guidance and instructions will be provided.

**Congratulations** - to Cooper (Room 6), Felicity (Room 9) and Summer Pedersen on their baptism last Sunday. We are very proud of you.

*Lord, thank you for the precious gift of baptism, that we can publicly declare our love and passion for you. Lord, we ask for*

*your goodness and blessings to be poured out on these faithful servants. We pray that you would work deeply within their hearts and souls to renew and refresh them each day. Amen.*

**TOUCH RUGBY - Term 4** - Any children interested in playing Touch Rugby in Term 4, please contact Annalies Donald at [annalies.donald@meshconsulting.co.nz](mailto:annalies.donald@meshconsulting.co.nz) Games are Tuesday afternoons for 7 weeks at Cox's Bay Reserve. Open for all children from Year 0 - 6.

**A message from the Garden Club** - The Garden Club is raising money to buy more plants for the school. We will be selling our Flower Aid plant booster (great in the flower or vegetable gardens), and worm castings (rich in goodness for plants, especially pot plants), outside the Whanau Room from 2:50 pm to 3:10 pm on Thursdays until the end of term or until we run out of stock. \$5 1 litre of Flower Aid, \$10 2 litres of Flower Aid, \$13 3 litres of Flower Aid, \$1 for 500 g worm castings.

## The Year 6 Whanau Leaders interview an Olympian!

**Please can you tell us a little about yourself and your olympic journey.**

My Name is Justina Kitchen, my daughter's Florentina and Lucette are in Year 3 & 4 at St Francis. I competed at the 2024 Olympics in Kitefoiling, which is the fastest summer Olympic sport. We have a top speed of over 80km/h but most of the time we are racing at about 50km/h, which is pretty fast for something powered by the wind! Especially when the wind we use for power is only blowing 15km/h. Does anyone know how that is possible? I learned to kitefoil when I was 28 years old, when Florentina and Lucette were young babies. I train and compete as a kitesurfer as my full time job, I travel a lot to different parts of the world to compete

**What was the most famous person that you met at the olympics?**

Andy Murray – the Tennis player

**How long have you been waiting to go to the Olympics?**

My Dad, Florentina and Lucette's Grandad, went to the Olympics. He won a Gold and Silver medal. I have always been inspired by him, and have wanted to go to the Olympics for as long as I can remember. I tried to qualify for the Olympics in windsurfing when I was 20 years old, but had lots of shoulder injuries so didn't make it. All the experience from being a windsurfer helped a lot when I learned to kite foil. I trained for 6 years in kitesurfing before I finally earned a place at the Olympics, by then I was 35 years old. So I had wanted to go to the Olympics for over 25 years. Never give up on your dreams!

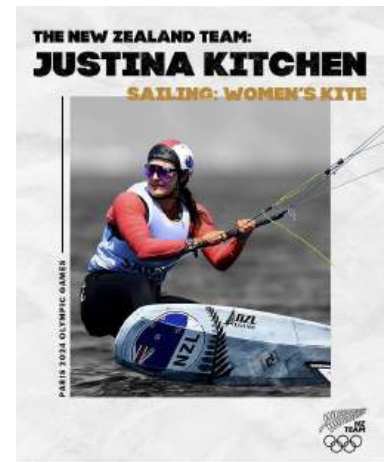

**What was your favourite event that you got to watch at the Olympics?**

The only other event I got to watch while at the Olympics was the Gymnastics. Which was very impressive. The athletes are so strong.

**Did all the athletes support each other?**

In the New Zealand sailing team all the athletes support each other, we are like a family.

It depends on the sport, but in sailing most of the athletes are friends. You see each other at every event you compete at, for the years leading up to the Olympics. Some of my best friends are my international competitors.

**Basketball** - St Francis Blue Lightning won 8-4 against Westmere. POD Aishah.

**Tongan Language Week** - During Tongan Language Week, Room 3 learned about Tongan Ngatu (tapa cloth). We used this knowledge for our Explanation Writing and to create Ngatu inspired art.

Tongan Ngatu through the ages by Micah Fullerton Room 3 - \*Go to the bottom for the meanings of tongan words.

INTRODUCTION - Tongan Ngatu is a cloth made from bark that grows in tonga. Ngatu is only made by women.

THE MAKING OF NGATU - There are many steps in making Ngatu. When they make it they use the bark from the hiapo tree. It is called tutu. Then they hang the bark in the sun to dry. After that they put it in water to make it soft. Later on they beat it with an ike to make it wider. Then they dry it in the sun again. Then in NZ they cover it with some glue like paste.

DECORATIONS - Ngatu is decorated with shapes such as squares, circles, triangles and diamonds. It also has symbols inspired by nature such as turtles, flowers, suns, moons and water.

A TREASURE IN TONGA - In Tonga, Ngatu is considered a treasure. The women in the group all speak lea faka tonga. The People in New Zealand make Ngatu too. The people in tonga import the material to them because the hiapo tree doesn't grow well in New Zealand.

CONCLUSION - In Tonga Ngatu is used for special occasions such as birth, weddings and funerals. Now you can teach others about Tongan Ngatu.

\*MEANINGS HIAPO TREE=PAPER MULBERRY TREE IKE=A WOODEN TOOL USED FOR BEATING BARK TUTU =THE BARK OF THE HIAPO TREE LEA FAKA TONGA=THE TONGAN LANGUAGE

## Messages from the St Francis Board of Trustees

Kia ora St Francis whānau,  
2024 is racing by and the Board would like to update you on what's been happening at school.

### **Catholic Special Character Review**

Earlier this year, we had our Catholic Special Character review, which assessed our efforts to grow and strengthen our school's Catholic identity. The report was excellent! The evaluators were impressed with our staff, students and the close relationship we have with the Parish.

Here's a snippet from the summary:

"The St Francis Leadership team are cohesive and Christ-centric, evident throughout the evaluation process and in feedback from staff, whānau and tamariki. The team and teachers are dedicated professionals, many with strong, decades-long connections to St Francis."

### **Road Closures**

We would like to acknowledge the school community for its patience and adaptability in a very challenging situation.

The walking school bus has been a real highlight, a testament to the wider school community spirit in helping our children get safely to school. Thank you to all the community members who continue to give their time to this. We look forward to AT working on our Kiss and Go area soon!

### **Property Updates**

You may have noticed the church's beautiful renovation, which is now nearly complete. Earlier this year, we also painted the school's exterior, refreshed walkways, and added fun line markings for games. Some old picnic tables have been upgraded as well.

Regarding the toilet block, we know the ongoing concerns and are taking steps, including installing industrial air fresheners, conducting plumbing checks, and soon improving drainage to address flooding. The toilets are cleaned daily. We kindly ask that students take care when using the facilities, ensuring they flush properly and keep the area tidy for everyone. We also encourage parents to talk to their children about good toilet habits, such as taking the time to flush fully, using toilet paper appropriately and washing their hands. By working together, we can help maintain a clean and pleasant environment for all students.

## Student Achievement – Mid-Year Results

Our students' mid-year results are strong, with most at or above the expected levels in reading, writing, and maths. We continue to focus on achieving 90% of students meeting or exceeding expectations by year-end, with a special focus on writing.

Mid-year results: Percentage of students already at or above the expected end of year level:

	Reading	Writing	Maths
Y2	92%	76%	100%
Y3	93%	75%	80%
Y4	83%	76%	79%
Y5	80%	60%	71%
Y6	82%	58%	71%
overall	86%	69%	80%

Comparison with our 2023 mid-year results:

	Reading	Writing	Maths
Y2	N/A	N/A	N/A
Y3 cohort, when in Y2	80%	76%	97%
Y4 cohort, when in Y3	70%	38%	50%
Y5 cohort, when in Y4	88%	70%	76%
Y6 cohort, when in Y5	82%	82%	60%

## Staff Celebrations

Congratulations to Miss Neary for completing her Masters in Educational Leadership with distinction! We applaud her commitment to education, which continues to benefit both our students and our broader school community. And to our staff who all recently completed the Te Kupenga Certificate Programme in interpreting the New Testament, earning high praise for their assignments.

## Strategic Objectives

Rebranding: With the exterior painting complete, we're ready to install new outdoor art!  
Student Agency: The Special Character Review team noted strong student agency in the school, particularly in leadership opportunities and a strong sense of identity.

Mental Health & Wellbeing: We've completed a teacher workplace survey and continue to implement the Mitey program, an evidence-based approach to mental health education, with positive feedback from staff and students.

### **School Canopy Project**

Progress continues on the lower court school canopy, with a separate announcement coming soon!

### **Kainga Ora Housing Update**

The Kainga Ora complex near the school is nearly complete and will serve as a residence for those aged 55+. The boundary with the school has been rebuilt. An open day is happening in the near future - more details to come soon.

### **Policy Reviews**

We regularly review our school policies at each Board meeting. You can access these on our 'School Docs' website (Username: stfrancis | Password: brave). Recent reviews include the Treaty of Waitangi, Catholic Character, and Concerns and Complaints policies.

### **Board Meetings**
